Much of the band's material comes from the traditional players of Suffolk and Norfolk, but tunes from Quebec and even Australia are also part of the current repertoire. SKYLARKING

Skylarking was founded in 2010 by three former members of RSVP, a popular ceilidh band in East Anglia. This is an exciting new venture for Steve, Sarah and Alex, who have many years experience of playing for ceilidhs, parties and weddings. They have a large repertoire of folk dance music to call on and are busy giving their songs a modern dance feel by experimenting with different rhythms and arrangements.
